

# Community Garden Coming Soon!

- Builds skills and confidence
- Beautifies our Neighborhoods
- Produces Nutritious Food
- Reduces Family Food Budgets
- Creates opportunities for recreation, exercise & education
- Creates income opportunities
- Provides opportunities for making new friends

**Talk to your local OACAC neighborhood center  
about your interest in participating in our  
Community Garden Project**

**Traditional in ground, raised bed & container gardening available**

**No experience needed – Life Skill classes taught by Master Gardeners  
from our local area – Multiple garden locations to choose from**
